EROSION CONTROL AND STORMWATER APPLICATION

SUBMITTALS

An application for approval of an Erosion Control and Stormwater Management Permit is made by submitting the following information to the City Clerk:

1. The completed attached form and checklist.
2. Copy of all documents required by the City Engineer, including an accurate scale drawing of the site showing: a) any affected adjacent property, b) the location of all streams, intermittent streams, wetlands, ponds and other bodies of water on or adjoining and within 500 feet horizontally from or vertically below the site, c) all areas proposed for grading, site disturbance, road construction, retaining walls and any other land-disturbing activity, a description of the nature of the land-disturbing activities, the location of all existing and proposed structures, streets, easements, property lines, driveways, and utilities. (Municipal Code Section 11.2 *et. seq.*)
3. An Erosion Control and Stormwater Management Plan, prepared and stamped by a licensed design professional, in accordance with Municipal Code Section 11.2 *et. seq.*
4. **A FEE** of \$50.00 paid at the time the application is submitted plus the cost of inspection of the property and other related work by the City Engineer, City Attorney and other City Officials payable to the City of Hayden Lake.
5. The Permit, if granted will expire 60 days after the date it is granted unless work is begun on the project. The Applicant may apply in writing to the City Clerk for an extension of the permit, and for good cause appearing, the City Clerk may grant a 60 day extension.

DEADLINE FOR SUBMITTALS

The completed form and site plan must be submitted to the City Clerk not later than thirty (30) days prior to the date that the activity is expected to begin. The completed application shall be deemed accepted for the thirty (30) day processing period as of the date when all plans are and information has been filed, checked and accepted as complete by the City Engineer, as noted below.

Date Application and Fee Received: _____, 20____,
